

SUMMARY

Strategic Regional Sales Manager with a proven track record of leading the NSW/ACT Google Pixel field team to accelerate market share and brand presence within the competitive electronics landscape. I am a dedicated mentor with a passion for talent cultivation, specializing in transforming new hires into elite, high-performing professionals. My leadership style is inherently agile, allowing me to pivot regional strategies to align with localized demographics and the evolving needs of key retail partners. By championing data-driven field execution and disciplined work practices, I consistently empower my teams to surpass core KPIs and aggressive sales targets.
